

ARE YOU A RESIDENT OF NOTTINGHAM OR NOTTINGHAMSHIRE?

As part of the Tackling Loneliness in Nottinghamshire Project

Nottingham and Nottinghamshire residents are invited to take part in a short online survey about their experiences of living in the local area, their experiences of social activities and connection, and their knowledge and experiences of local services.

In return, you'll receive a £10 shopping voucher via email

The survey will take 10-20 minutes

You have the option (if you want to) to complete the survey twice more over the next six months, so we can look at how people's answers change over time.

If you complete the next two surveys, you will get another £10 shopping voucher

To read more and access the survey, go to this website:
